Fem-Ease Cream

Indicated for Vaginal Health

This blend helps reduce: **Menstrual Pain, Heavy Bleeding & Fibroids**. This then leads to improving: **Energy, Focus, Fertility, Libido & Perimenopausal Symptoms**.

MSM, wild yam, maca, clary sage, cardamom, geranium, ylang ylang and petitgrain are all crucial ingredients in aiding feminine hormonal balance.

Suggested Use

1 pump twice daily or as directed by a qualified health professional.

Key Ingredients:

MSM (methylsulfonylmethane)

A botanical based supplement that is effective in **reducing**: menstrual pain, joint pain, heavy bleeding & fibroids and **improves**: bone strength.

Wild Yam (*Dioscorea villosa*)

Wild yam naturally contains diosgenin. This can help **balance hormones, alleviate PMS symptoms, improve low libido, bone strength & hot flashes as well as containing anti-inflammatory properties.**

This Formula Includes:

Rosa damascena (rose) water, cocos nucifera (coconut) oil, glyceryl stearate, cetearyl alcohol, glyceryl behenate, glycerin(vegetable), caprylic/capric triglyceride, MSM (methylsulfonylmethane), dioscorea villosa (wild yam) root extract, lepidium meyenii(maca) root extract, natural fragrance (synergistic blend of clary sage, geranium, ylang ylang, cardamom, petitgrain essential oils), aloebardensis leaf juice, prunus armeniaca (apricot) kernel oil, oenothera biennis (evening primrose) oil, panthenol, DHEA (from wild yam), monolaurin, squalane (from olive oil), phospholipids (from safflower), ethyl lauroyl arginate HCl, tocopherol (natural vitamin E).
